Book Synopsis

Learn How To Make Money With Options Trading Today! What is Options Trading? How can I make money with Options Trading? How much money can I make with Options Trading? How do I get started? If you want to know the answers to the questions above download this book today When considering saving for the future, many people look into opportunities such as Roth IRAs and mutual funds. However, few people are willing to venture into the world of trading, where investments in stocks, indices, and other securities can substantially build a savvy investor's portfolio. For those who are willing to brave the waters of loss and gain in order to accrue income, options can seem like a foreign language. Among the various myths that options trading is either fraught with pit-holes or risk free is an investment system that is accessible to everyone. In addition to helping develop an investor's portfolio, options trading involves a range of strategies that will allow investors to incur significant profits at their designated comfort level. In this book I'll teach you the basics of options trading, including vocabulary terms, the basic bullish and bearish strategies, the neutral strategies and the volatile strategies. We'll also discuss margin requirements, spreads, straddles, puts, calls, exit strategies and entry points. We advise upon risk management and keeping your capital account safe. Furthermore you'll learn the basics of entering a trade, calculating the maximum profit and the maximum loss, and how to figure the profit from a trade. We'll discuss the brokerage requirements for margin trades. I'll also show you which mistakes to avoid and how to analyze your trades for maximum success! What you'll learn in this book: What are Stock Options Different Types of Stock Options What is a bullish trade and why do we want those trades? Bull Call Spread Bull Put Spread Covered Call Out-

of-the-money Covered Call Covered Call in-the-money Married Put Long Synthetic Put-Call Parity What is Bearish and why do I want to trade bearish? Covered Put Bull Ratio Spread Put Backspread What is a Neutral trade? What does non-volatile mean? Call Ratio Spread Long Iron Butterfly Short Iron Butterfly Common Mistakes to Avoid Option Strategy Rules, Tips and Notes A Detailed Step by Step Guide to Success with Options And much, much more! This is the ultimate guide for beginner, intermediate and advanced traders to make a lot of money with options trading.
